

Apply for Youth to Washington trip

Parents/grandparents who are Corn Belt Energy Corporation gas or electric members are welcome to nominate a child or grandchild to attend CBEC's Youth to Washington experience in June 2008.

This is an outstanding opportunity to travel to Washington D.C. with other statewide contest winners! During their weeklong trip, students will visit numerous historical national sites, monuments, museums and government buildings and meet state legislators. They'll see first-hand how the government process works.

The student must have a parent or grandparent served by Corn Belt Energy. The nominator will be responsible to provide transportation for

the winner to and from Springfield.

To be eligible the youth must be a high school sophomore, junior or senior and be available for June 13-20, 2008.

It's easy to enter. No essay required! Nominators, simply return the brief information form with your signature along with the signature of their Youth to Washington nominee.

A drawing for the winner will be held on Feb. 29, 2008, and the student selected will attend the Youth to Washington event courtesy of Corn Belt Energy Corporation.

The winner should also be available April 9 to spend the day in Springfield.
